VIJAYDEEP

AGENCIES

VHPL

COMPANY PROFILE

Established in the year 1978, M/s Vijaydeep Agencies was incorporated by Mr. Deepchand Jain , a visionary and considered as one of the pioneers of Auto Spare Parts in India. Quality First - is our Company's motto and each and every employee of our company works earnestly towards satisfying the needs of our valuable customers no matter how varied they are. Keeping this aspect in mind, we embarked upon our new venture and set up a state of the art manufacturing facility at Bangalore which includes CnC, PLC and many more conventional machines .

We are also the first ones to introduce the Honing Machines manufactured by M/s Sunnen, USA to the general public of India in 1996 . We constantly perform research in our very own R and D Department so that better products can be offered to our valuable customers all the time. We at Vijaydeep are attempting to make the VHPL brand a synonym for super excellence in the automobile spares market in India mainly focusing on 2 and 3 wheelers . We manufacture and sell a wide range of metal, plastic and rubber products like Spurz, Worm & Helical Gears, spline shafts, ratchets, sprocket rubber, foot rest rubbers, Air Filters, Head light domes , silencer plates, hub covers , clutch rollers etc under the VHPL brand . We also specialize in the manufacturing of household articles like Couplers and knobs for Mixies and stoves, tiffin boxes and ice cream cups and many more in the offering.
